The Connecticut Registry of Interpreters for the Deaf (CRID) was established in 1971, and is one of more than 60 local chapters affiliated with the national Registry of Interpreters for the Deaf (RID). When you become a member of CRID you are supporting our goals to: • Promote and maintain the NAD-RID Code of Professional Conduct (CPC) for Interpreters and Transliterators of ASL-English. • Foster professional support for Interpreters (novice through experienced) by attaining new information, knowledge, & current practices in fields related to the interpreting profession. • Provide the opportunity for an exchange of ideas and information through workshops, trainings, events, meetings and social gatherings. • Encourage Interpreters and professionals in related fields, and community members to participate in the advancement of the Interpreting field & American Deaf Communities. • Support organizations and activities of the Deaf and Hard of Hearing communities. CRID members are comprised of Interpreters, Deaf consumers, Allies, Professionals, and Community Supporters. Discounted prices for CRID sponsored workshops are available to all members. CRID Members are encouraged to attend and participate in public membership meetings, workshops, social events, and other CRID sponsored activities. Thank you for your commitment.
